### Hull & Deck

- Vacuum bagged cold-molded hull with fiberglass covering set in epoxy.
- White cedar longitudinal with Spanish cedar diagonal sheathing, covered with 10oz fiberglass cloth.
- Laminated Douglas fir backbone, framing, and floors.
- Bulkheads 1/2" mahogany with staving.
- Hull painted with epoxy primer and two-part top-coat system, owner's choice of classic colors.
- External lead ballast.
- Inside skin coated with resin, varnished or painted at owners discretion.
- Plywood deck (1/2" thick), covered with 10oz cloth, painted with non-skid, and v-grooved underside to give the impression of a planked deck. Owners choice of classic colors. Painted or varnished oak deck beams.
- Traditionally constructed Teak coaming.
- Herreshoff style Teak toe-rail, finished bright, with integrated chocks and drains.
- All bright-finished pieces are of clear grained wood.

### Deck Hardware

- Herreshoff (Reineck) bronze chocks on bow
- Herreshoff (Reineck) bronze bow cleat.
- Herreshoff (Reineck) bronze jib sheet block lead aft to cockpit cam cleats
- Herreshoff (Reineck) bronze halyard blocks (2) at foot of mast.
- Halyards control lines lead to Herreshoff (Reineck) bronze cleats and cam cleats.
- Herreshoff (Reineck) mainsail traveler aft of cockpit,

purchase lead to cockpit cam cleat.

- Herreshoff wooden-shell pulley blocks on mainsheet
- Bronze pad-eyes (two) on aft deck for dock lines
- Teak flag pole with socket.
- Teak "scissor style" boom crutch.

### Rig

- Aluminum, Carbon Fiber, or Sitka Spruce spars.
- Stainless steel wire standing rigging.
- Bronze chainplates.
- Optional gaff rig available

### Steering

- Bronze rudder head
- Varnished ash tiller.
- Composite rudder blade

### Cockpit & Interior

- Teak cockpit seats
- Bright finished paneled cabin doors with bronze hardware
- Cockpit floor oiled teak.

### Sails

- Mainsail, jib, and spinnaker built to class rules with classic finishing details.

### Bilge Pump

- Manual bilge pump
